3. INCIDENT MANAGEMENT TEAM

3.1. INCIDENT MANAGEMENT TEAM STRUCTURE

Each community language school should assign roles to individuals who will be responsible for co-ordinating or assisting in an emergency. Those individuals with particular roles in an emergency situation form the Incident Management Team (IMT). The primary role is the role of Chief Warden, who will oversee all emergency procedures. The Chief Warden may or may not be the principal of the school. Other suggested roles include: First Aid Officer - responsible for administering and/or coordinating the administration of first aid as needed.

Amend and expand this diagram as necessary to reflect the Incident Management Team structure at your community language school.
